

DROPSHOP MANAGER, HONG KONG

Hong Kong

The Dropshop Manager, Hong Kong oversees the strategic planning, execution, and day-to-day operations of Phillips Dropshop, working across Global Operations, Ecommerce, Marketing, Business Development, Specialist departments, and Technology to deliver a coordinated global digital sales calendar. The position is responsible for developing and executing Dropshop initiatives and shaping compelling online offerings and cross-category collaborations. For Hong Kong drops, the role manages the full operational lifecycle, including customer service, KYC, billing and shipping inquiries, inventory and archive management, campaign and editorial coordination, publishing, fulfillment, expenses, invoicing, reconciliation, and documentation. The role also ensures Dropshop remains aligned with annual budgets, strategic priorities, marketing campaigns, operational requirements, and evolving best practices in digital merchandising and online sales.

Phillips values a workforce with a wide variety of experiences, backgrounds and skills, so we encourage you to apply even if you do not meet all of the qualifications.

Duties and Responsibilities

- Work closely with Global Operations, Dropshop, Ecommerce and Marketing teams to create, maintain, circulate, and execute a digital sale calendar that compliments and augments the existing live global auction calendar.
- Ensure that ecommerce plans support key strategic initiatives, launches, top sellers, seasonal/bespoke campaigns, trends and goals.
- Partner with international Dropshop colleagues to assess analytics to monitor traffic, customer behavior, sales trends, feedback and customer insights.
- Provide guidance and expertise to Phillips' specialist departments to shape and execute successful offerings of the core collecting category. Where complimentary material has been sourced by the Digital Marketplace team, work with specialist departments to find cross-category collaborations and synergies.
- Work with Business Strategy and Object Intelligence colleagues to research customer desire to shape site growth, and drive innovation for online merchandising "best practice".
- Partner with Press, Social, and Marketing teams to amplify campaigns.
- Oversee day to day operations of Phillips **Hong Kong**
- Partner with global Ecommerce team to ensure the Dropshop pipeline is in line with annual budget.
- Provide support for the Dropshop teams by fielding mainline phone calls, answering basic questions in a polite and professional manner.
- Manage general Dropshop inboxes, reviewing and answering inquiries and facilitating post-sale communication, inclusive of Know Your Client (KYC) Verification, Billing & Shipping updates.
- Liaise with Marketing, Creative, and Press departments to support seamless campaign rollouts, including but not limited to asset and copy delivery, partner feedback and final approval.
- Write/prepare editorial notes for each drop in collaboration with marketing team and artist/partner.
- Coordinate with publishing team, ensuring that all required assets are approved, filed and delivered according to publishing schedule.
- Maintain up to date Dropshop inventory, inclusive of the Dropshop Archive, inbound property that needs to be illustrated for upcoming drops, and the release of property from Phillips systems following fulfillment.
- Partner with Shipping and Operations to ensure proper staffing and materials are available for drop and exhibition fulfillment.
- Process and track Purchase Orders for sale expenses, effectively managing sale costs and approvals together with management team, in line with Company policies and approval matrix.

- Invoice custom pre-drop sales, as required.
 - Review and reconcile purchases, updating fulfillment status post-drop.
 - Organize departmental events/meetings, as required.
 - Manage Dropshop document archive, specifically relating to legal, KYC, cataloguing, edition allocation, and digital assets.
 - Liaise with internal projects leads in marketing, product, technology, and operations as required.
-

Professional Skills and Experience

- 4+ years of experience in the art world or an Ecommerce marketplace.
 - Experience with inventory and property management, fulfillment experience a plus.
 - Ability to communicate in a professional manner with a wide variety of people, including written and verbal communication.
